

Rhos on Sea CC Time Trial report 2022

Another fantastic year of time trials, with lots of riders of all abilities, and some super fast times.

We had a good showing every week, and ran a mix of 10s, 15s and Nebo Rd Hill Climbs (very popular!)

A special thanks goes to Tom Turner who was there again most every week to timekeep. Michelle Leather deserves a special mention as the most willing and ever-present marshal.

There were several other marshals and timekeepers who were equally as dedicated turning up whenever they were needed, simply as volunteers and not riding the TTS (Alan Wheeler, Graham Davies, Malcolm Berry, Medwyn Williams, Tom Turner, Tony Lord, and Vince Fox).

Other news

Our regular riders Huw Parry (Anglesey) and Sally Cunliffe (Ruthin) both won age-awards at the Llangollen Hill Climb on 30 Oct 2022. Kieran Wynne-Cattanach was in the winning team, Team Lifting Gear Products/Cycles In Motion. I hope to see some Rhos names there next year, many did try !

New for 2023

CTT mandated helmets and front lights, as well as rear lights, in 2022. This will continue, without exception.

We will assign events run by other clubs as possible Rhos Club Champs for 25 and 50 miles, if there is enough interest.

CTT levies

No change in levies for 2023.

Club TTs

The TT schedule for 2023 will follow a similar pattern to the 2022 schedule, though not yet set in stone. Feedback from our testers most welcome, for new events or a different balance between 10s, 15s and hill climbs.

The first event will be Thursday 13 April 2023, the first Thursday when the sun sets after 8pm. Being the Thursday immediately after Easter, this will be a Nebo Rd Hill Climb (traffic on A470 could be busy just at easter, making the valley 10 mile unviable).

The overall plan will include, as usual

- One 'come and try it' evening,
- One 'ladies' evening,
- One 2-up.
- Guest Club evenings for the GOGs. As a guest club, the riders would pay Rhos rates. GOGs have been very helpful in our club events, including marshalling.

I would welcome any members' thoughts on any other information they would like to have about the TTs we held in 2022, and any suggestions for 2023.

Toto Anne Gronlund, December 2022.
